MESSAGE

I am immensely pleased to note that the Department of Administrative Reforms & Public Grievances is bringing out the 14th Edition of the Central Secretariat Manual of Office Procedure (CSMOP). One of the important agenda of the Government is "Minimum Government & Maximum Governance". The revised edition of the CSMOP has been prepared with that endeavour in mind. The provisions of the revised CSMOP instills a greater sense of responsiveness, accountability, transparency and public service excellence in the current system of governance and also fulfill the need for further simplifying the government procedures and processes.

I am sure that the Manual would be of help to all who serve in the Central Secretariat to increase their efficiency & effectiveness and remove a lot of red tape, for which we are charged. I am sure that the Manual will form the backbone of process management in our offices and make office work speedier and rewarding for all the stakeholders.

FOREWORD

The Department of Administrative Reforms & Public Grievances (DAR&PG) in the Ministry of Personnel, Public Grievances & Pensions, as nodal Government agency, is charged with the responsibility of prescribing procedures for secretariat work. The existing Central Secretariat Manual of Office Procedure (CSMOP) is bulky and as such often remains unread. The DAR&PG has reviewed the 13th Edition of the CSMOP, which was brought in October, 2010 and revised it in consultation with all the Central Ministries/Departments.

The revised 14th Edition of CSMOP, which is being brought out by DAR&PG has done away with a number of entries which existed earlier and now can be easily obtained from the websites of various Ministries/Departments. We have also done away with a number formats of the Appendixes and have left it to the discretion of the Ministries/Departments to adopt the same catering to their requirements.

The overall aim is to increase productivity in work and make the administration more responsive. Efforts have been made to maintain concordance between organizational goals, procedures of work and functionaries entrusted with the responsibility of discharging them.

For those who are working in the Government and for future entrants, the Manual will be an invaluable source of training, guidance and reference.

CHAPTER-I

INTRODUCTION

The efficiency of an organization depends largely on evolution of adequate processes and procedures and the ability of its employees to follow them. Accordingly, the efficiency of persons handling secretarial work in a government organization can be judged by their ability to dispose of matters – mostly receipts, cases etc. with speed and quality, following the procedures prescribed for the purpose. The ultimate object of all Government business is to meet the citizens' needs and further their welfare. At the same time, those who are accountable for fair conduct of business have to ensure that public funds are managed with utmost care and prudence. It is, therefore, necessary, in each case, to keep appropriate record not only of what has been done but also of why it was so done.

The procedures prescribed in the Central Secretariat Manual of Office Procedure (CSMOP), attempt to balance the conflicting considerations of speed, quality, transparency and propriety. In a dynamic context, this balance cannot be rigidly or permanently fixed. Every rule and step in the procedure must serve a definite purpose.

The First Edition of the CSMOP was published in March, 1955 and since then it has been updated from time to time to take care of the changing scenario. The 13th Edition of the CSMOP came in the month of September, 2010. This edition of the CSMOP is quite voluminous and hence it does not receive the required attention of Government Employees to read it. The edition of the CSMOP which is being brought is the 14th in the series. A number of entries which existed in the earlier CSMOPs and are also available in different documents & manuals specific to the subject have been removed. The new CSMOP has been prepared with a view to remove redundancy, duplication and also doing away with a number material which can easily be taken from the various Government websites.

It is expected that the revised 14th Edition of CSMOP, which has a lesser number of pages in comparison to the earlier CSMOPs will receive greater attention by the Government officials and the work will be performed in a systematic and faster manner.

- (b) In the case of correspondence portion, right side of the tag will be tagged onto the right side of the same file cover and left side of the tag will remain as such i.e. untagged.
- (iii) Reference to previous communications should invariably indicated in the fresh receipt, if there is a mention about it.
- (iv) (a) If the file is not bulky, appendix to notes and appendix to correspondence may be kept along with the respective note portion or the correspondence portion of the main file if these are considered as integral and important part.
- (b) If the file is bulky, separate file covers may be used for keeping appendix to notes and appendix to correspondence.
- (v) When the 'notes' plus the 'correspondence' portion of the file become bulky (say exceeds 150-200 pages), it will be marked 'Volume I'. Further papers on the subject will be added to the new volume of the same file, which will be marked 'Volume II', and so on. In Volume II and subsequent volumes of the same file, page numbering in notes portion and correspondence portion will be made in continuity of the last page number in note portion/correspondence portion of the earlier volume.
- (vi) On top of the first page of the note portion in each volume of the file, file number, name of the Ministry/Department, name of branch/section subject of the file and classification of file will be mentioned. A similar procedure will be followed on file cover also.

24. Arrangement of papers in a case.—

The papers in a case will be arranged in the following order from top downwards:

- (i) reference books;
- (ii) notes portion of the current file ending with the note for consideration;
- (iii) running summary of facts;
- (iv) draft for approval, if any;
- (v) correspondence portion of the current file ending with the latest receipt or issue, as the case may be;

- (vi) appendix to notes and correspondence;
- (vii) standing guard file, standing note or reference folder, if any;
- (viii) other papers, if any, referred to e.g., extracts of notes or correspondence from other files, copies of orders, resolutions, gazettes, arranged in chronological order, the latest being placed on the top;
- (ix) recorded files, if any, arranged in chronological order, the latest being placed on the top; and
- (x) routine notes and papers arranged in chronological order and placed in a separate cover.

25. **Referencing -**

- (i) Every page in each part of the file (viz. Notes, correspondence, appendix to notes and appendix to correspondence) will be consecutively numbered in separate series on the top right hand corner. In an electronic environment the number of page and Serial number of Receipts/Issue will be generated automatically. The docketing will also take place immediately below the note which has culminated in issuance of fair signed communication(s) in question.
- (ii) The drafts of letters issued having crucial policy, financial and vigilance implications, where the drafts have been changed by Senior Officers in the process of movement of files upwards, barring grammatical corrections should also form a part of the correspondence portion, which shall be numbered ad seriatim.
- (iii) The document under consideration on a file shall be flagged 'PUC' and the latest fresh receipt noted upon, as 'FR'. If there is more than one 'FR' they shall be flagged separately as 'FRI', 'FRII' and so on.
- (iv) to facilitate the identification of reference to documents contained in other files after the removal of linked file(s), the number of the file referred to will be quoted invariably in the note. Similarly, the number and date of orders, notifications and the resolutions, and, in the case of acts, rules and regulations, their brief title together with the number of the relevant section, rule paragraph or clause, referred to shall be quoted in the notes.

26. Linking of files -

If the issues raised in two or more current files are inter-connected, the relevant files shall be linked. After completion of action, the linked files be de-linked after taking relevant extracts.

27. Use of urgency grading -

- (i) The urgency grading advised are 'Immediate', 'Priority' and 'Top Priority'.
- (ii) The label 'Immediate' will be used only in cases requiring prompt attention. Amongst the rest, the 'Priority' label will be used for cases which merit disposal in precedence to others of ordinary nature. 'Top Priority' will be applied in extremely urgent cases.
- (iii) Lok Sabha/Rajya Sabha labels shall be used for appropriate cases which merit disposal in precedence to others of ordinary nature. The file covers of the Lok Sabha and Rajya Sabha Questions, Motions etc. are to be in red colour and green colour respectively, in order to facilitate their identification for urgent dealing.

(xi) **Minutes** - A record of discussions is prepared immediately after the meeting and circulated to the other Ministries/Departments concerned, giving date/time/venue of the meeting held, who chaired the meeting and list of participants, setting out the conclusions reached and indicating the Ministry(s)/Department(s) responsible for taking further action on each conclusion. In case it is perceived by a participant of the meeting, that the minutes recorded are not as per the understanding/perception of the participant, the same may be immediately referred in writing to the authority which has issued the minutes.

Modes of Communications shall be decided depending on the nature and urgency of message to be conveyed.

29. **Correspondence with attached and subordinate offices -**

Senior Officers/Head of a subordinate/ attached office under an administrative Ministry/Department shall correspond in respect of matters involving intervention/ approval of another Ministry/ Department in a form of a note/e-mail/ e-file to their concerned Ministry/Department. In case of seeking clarifications relating to

rules/guidelines from Departments like Department of Expenditure, Department of Personnel, Ministry of Health etc. the Attached/Subordinate offices can communicate directly without the intervention of their parent Ministry/Department.

30. **Single File System -**

(i) This shall apply to matters which have to be referred by the Non Secretariat Office (NSO) to the Department for seeking a sanction/order, i.e. a decision not within its own delegated powers.

(ii) This shall not apply to matters which in a hybrid environment i.e. where either the Department or the NSO is still operating in paper mode (non-electronic). In such cases, the procedure detailed in para (iii) to (vii) below will be followed. In cases where both the Department and NSO are electronically connected, the workflow given below will be followed:

(a) The SFS file need not bear an I.D. No. or other formal method of sending, but will be sent as though it is from one officer to another in the same organization.

(b) The SFS file shall be completed in all respects, so as to enable the Department to take a decision expeditiously; hence the NSO will ensure that:

(i) every point for decision/order is clearly brought out;

(ii) all relevant connected papers are placed on the file/e-files, properly arranged and referred to;

(iii) draft orders/sanctions are put up, where they are required to be approved by the department for issue; and

(iv) the availability of funds, etc., is certified where additional expenditure is involved in the proposal.

(iii) The officer last dealing with the SFS case in the NSO shall mark it to the appropriate officer in the Department, by name; policy files will, however, be

referred to the department at appropriate levels to be determined by the Department and the NSO concerned, through a general order.

(iv) All SFS files shall invariably be routed through the central registry of the department concerned.

(v) As a rule, all noting in the Department will be on the NSO file. However, where sensitive or delicate matters in the sphere of personnel, policy issues and finance are involved; the recording of notes in 'duplicate' e-files may be permitted by issuing general or special orders by the Department. This will be done at a particular stage of the SFS case or at or above a particular level, with the final decision thereafter being suitably recorded on the SFS e-file.

(vi) As a convention, the secretariat noting on a SFS file shall start on a new page and the noting done sequentially-save in matters of the nature referred to in (v) above.

(vii) Action to implement the government decision in SFS case shall be initiated in and by the NSO on the return of the file. Orders so issued should specifically state that these have received the concurrence of Government in the Department concerned. Copies of every sanction/order so issued by the NSO will be endorsed without fail to all the officers concerned in the Department.

31. **References to the Attorney-General of India** - References to the Attorney-General shall be made by the Ministry of Law and Justice.

32. **References to Constitutional/Statutory Authorities** - References to constitutional and statutory authorities such as Election Commission of India/ Union Public Service Commission etc. shall normally be made in the letter form addressed to Principal Secretary/Secretary of the Commission.

34. Correspondence with Union Territory Administrations - All communications of a routine nature which clearly relate to the business of a particular Department, shall ordinarily be addressed to the Secretary in the appropriate Department. Other important communications may be addressed to the Chief Secretary or the Administrator as the case may be.

In case of demi-official communication is to the Chief Secretary of a State, this level shall not be below the level of Joint Secretary.

(ii) Communications other than those of a purely routine nature e.g., acknowledgements shall not ordinarily be addressed to State Governments except with the prior approval and under the signature of the branch officer. Purely routine communications may, however, be signed by a Section Officer.

36. Correspondence with the Lok Sabha and the Rajya Sabha Secretariats -

Communications meant for the Lok Sabha Secretariat or the Rajya Sabha Secretariat and requiring urgent or high level attention shall be addressed to the Secretaries concerned and not to the Speaker or the Chairman directly.

37. Correspondence with Members of Parliament and VIPs -

(ii) Where a communication is addressed to a Minister, it shall, as far as possible, be replied to by the Minister himself. In other cases, a reply should normally be signed by an officer of the rank of Secretary only.

subordinate office, Public Sector Undertakings, Financial Institutions (including nationalized banks) Division/Branch In charge in a Ministry/Department /Organisation, shall be replied to by the addressee himself. In routine matters, he may send an appropriate reply on his own. In policy matters, however, the officer should have prior consultation with higher authorities before sending a reply. It should, however, be ensured that the minimum level at which such replies are sent to Members of Parliament and VIPs is that of Under Secretary and that also in letter form only.

(iv) Normally information sought by a Member/VIP should be supplied unless it is of such a nature that it would have been denied to him even if asked for on the floor of the Houses of Parliament.

(v) In case, a reference from an ex-Member of Parliament is addressed to a Minister or Secretary, reply to such reference may be sent by a Joint Secretary level officer after obtaining approval of the Secretary of the Ministry/Department. In case the reference is addressed to a lower level officer, reply to such reference could be sent by the officer on his own in non-policy cases and after obtaining approval of the higher authorities in policy cases,. However, the minimum level at which reply could be sent should be that of an Under Secretary and that too in a polite letter form only.

(vi) Each communication received from a Member of Parliament/VIP, shall be acknowledged within 15 days, followed by a reply within the next 15 days of acknowledgement sent.

(vii) Appropriate record shall be maintained in respect of communications received from Members of Parliament and VIPs and monitored by all concerned. A similar procedure may also be followed for judicial/quasi-judicial matters.

38. Correspondence with Ministers of State Governments –

The procedure laid down in the above paragraph (No.37) shall also be followed in dealing with communications received from the Ministers of State Governments.

39. Correspondence with Foreign Governments and International Organizations –

On expiry of the specified date, orders of the appropriate authority may be obtained on whether the offices, whose replies have not been received, may be allowed an extension of time or whether the matter may be processed on the basis of the information available, without waiting for their replies.

CHAPTER VII

DRAFTING OF COMMUNICATION

41. Procedure for drafting -

Draft is not required to be prepared in straight-forward cases or those for which standard forms of communication exist.

42. General instructions for drafting –

(i) A draft shall be clear and concise.

(ii) The number and date of the last communication in the series, and if this is not from the addressee, his last communication on the subject, shall always be referred to. Where it is necessary to refer to more than one communication or a series of communications, this shall be done on the margin of the draft. When two or more communications are to issue from the same file on the same date, a separate serial number may be inserted before the numeral identifying the year to avoid confusion in reference, e.g., A-11011/5(I)/2001-Est., A-11011/5(II)/2001-Est.

(iii) The name, designation, telephone number, fax number and e-mail (wherever applicable) of the officer signing the communication shall be indicated in the communication.

43. Authentication of Government Orders (Ministry of Home Affairs) –

(i) All orders and other instruments made and executed in the name of the President shall be expressed to be made in his name and signed by an officer having regular or ex-officio secretariat status of and above the rank of Under Secretary, or other specifically authorized to authenticate such orders under the Authentication (Orders and Other Instruments) Rules, 2002 (as amended from time to time).

(ii) Where the power to issue orders, notifications, etc., is conferred by a statute of the Government of India, such orders and notifications will be expressed to be made in the name of the Government of India.

44. **Addressing communications to officers by name** - Normally no communication, other than that of a classified nature or a demi-official letter, shall be addressed or marked to an officer by name, unless it is intended that the matter raised therein shall receive **his** personal attention either because of its special nature, urgency or importance, or because some ground has already been covered by personal discussions with **him** and he would be in a better position to deal with it.

CHAPTER VIII

FILE NUMBERING SYSTEM

45. **File Numbering System:** Normally, no files should be opened for dealing with receipts of routine nature. The following two file numbering systems may be used:-

I. Functional file numbering system –

(i) The range and dimensions of the subjects falling under the scope of business allocated to a department are analyzed in the following sequence:

- (a) main functions of the department;
- (b) activities in each of these functions;
- (c) aspects or operations involved in each of these activities; and
- (d) factors to be taken into consideration relating to each of these aspects or Operations.

(ii) The scope of business of a department is analyzed under four hierarchical divisions, and the following four standard lists of headings are prepared:

- (a) functional heads which may be called basic heads;
- (b) activity heads which may be called 'primary heads' as related to each functional head;
- (c) aspect or operation heads which may be called 'secondary heads' as related to activity heads; and
- (d) factor heads which may be called 'tertiary heads' as related to operation heads.

(iii) Based on the above list of heads', a functional file index for various substantive subjects dealt with by a department together with an identifying file numbering system is then developed.

(iv) For opening files on subjects which are common to all Ministries/Departments (e.g. matters relating to establishment, finance, budget, accounts, office

supplies and services, and other house-keeping jobs, Hindi, Vigilance, Parliament, Questions, etc.) the common standardized functional file index/file-numbering system, as contained in the booklet 'Record Retention Schedule' in respect of records common to all Ministries/Department issued by the Department of Administrative Reforms and Public Grievances in 2012 (uploaded on the website (www.darpg.gov.in), as amended from time to time, shall be followed.

II. Subject classification based file numbering system—

- (i) Each Section/Desk will maintain approved lists (to be reviewed every year) of:
 - (a) standard heads i.e. main subjects headings concerning it.
 - (b) standard sub-heads i.e. aspects of the main subject headings.
- (ii) The standard heads will bear consecutive serial numbers. No such numbers, however, will be allocated to standard sub-heads.
- (iii) The dealing hand will ascertain the standard to which the paper under consideration relates .and then propose a suitable title subject to review by the Senior Officers.
- (iv) As far as possible, there should be a separate file for each distinct aspect of the subject.
- (v) If the issue raised in the fresh receipt or in the note on a current file goes beyond the original scope, a new file may be opened to deal with it by placing photocopies of relevant extracts.
- (vi) The first three elements in the file number will be separated from one another by a slant stroke and the last two by a dash. Thus, the files opened in say, Scientific Research Section during 2009 under the standard head bearing serial number '3' will be numbered consecutively as 3/1/2008-SR, 3/1/2009-SR etc. and so on, where 'SR' represents the section.

III. Part File –

- (i) If the main file on a subject is not likely to be available for some time and it is necessary to process a fresh receipt or a note without waiting for its return, a part file may be opened to deal with it. Where two or more part files are opened, each will be identified by a distinct number, e.g. part file I, part file II or part file 'A', part file 'B' and so on. Once the main file returns the part files will be merged with it, after removing duplicate papers, if any.

- (ii) In a computerized environment appropriate entry will be made in the computer, so that easy tracking is facilitated for the purpose of merging of the part file with the main file.

IV. Unique e-file number: In a computer environment, a unique e-file number will also be generated automatically as and when a new e-file is opened. The e-files which are entered in the system will be automatically traceable on any of the following parameters:

- (i) no. of the file.
- (ii) date of opening of the file.
- (iii) as many catch words as possible from out of the subject on the file.
- (iv) any other parameter(s) at the discretion of the Department concerned.

46. Transfer, reconstruction and numbering of files - Whenever work is transferred from one department/section to another, the former shall transfer all the related records including file both current and closed to the latter. In case of transfer of files from one Department to the other a list will be prepared and approval of the Head of the Department taken. The department/section taking over the records will not divide, reclassify or renumber the closed files transferred to it. In the case of current files, the endeavour should be to close them at the earliest possible stage and open new files/e-files according to the Department's/Section's own scheme for dealing with the matter further.

A paper based file will be reconstructed if it is misplaced. The copies of the various correspondences will be obtained from the corresponding department and papers will be arranged in chronological orders and a new duplicate file prepared. A self-contained note will be prepared based on the correspondences.

47. Movement of files –

Movement of files shall be entered in the file movement register in the format to be decided by the Department concerned through departmental instructions. This may also be done through the electronic based File Tracking System.

CHAPTER IX

RECORDS MANAGEMENT

48. **Activities involved in records management -**

Records management covers the activities concerning mainly recording, retention, retrieval and disposal by transferring records to National Archives of India (NAI). Each Department is expected to issue Departmental instructions to regulate and review of records.

49. **Stage/procedure of recording -** Files shall be recorded after action on the issues considered thereon has been completed. Recording of such files shall be governed by the provisions in the Record Retention Schedule (RRS) and that of NAI issued from time to time. Extract from the file, copies of important decisions, documents, etc. as are considered useful for future reference and add them to the standing guard file/standing note/precedent book/reference folder etc.;

50. **Categorization of physical records -**

Files may be recorded under any one of the categories prescribed by NAI.

51. **Precedent Book -** Every section shall update its precedent book for keeping note of important rulings and decisions having a precedent value for ready reference.

52. **Record Retention Schedule -**
